

Ain't It Exciting?

Intro: Native American flute and storyteller

CRYSTAL:

Twass the night of the party

And all through the house

Not a creature was stirring, not cat, dog or mouse

But the phantom of Lucifer

Reared his wild head

CRYSTAL TEAM:

Lucifer! We yelled. Get back in bed!

LUCIFER: *(tune: Kookabura Sits)*

Lucifer is sittin in a tree

Gathering all the buddies he can see

Laugh, Lucifer, oh laugh, Lucifer

Hide and Seek – that's me

(tune: Lerner and Lowe: With a Little Bit of Luck)

The Lord above sent me to test and tempt you

The beautiful beloved Lucifer

The Lord above sent me to test and tempt you

And with a little bit of luck, a little bit of luck

With the Protocols I've run amuck

SANANDA:

Seeing the necessity for mankind to be tested and tempted by something in opposition to His Own Will, God designed this oppositional (diabolic and adversarial-satanic) function to the Chief of Archangels. God gave Satan Free Will just as he gave it unto hu-man. ...God will not interfere, for in the allowing of free will, He forsook "force".

LUCIFER:

The Lord above gave you and me free will

You and me, the beloved Lucifer

The Lord above gave you and me free will

But with a gross amount of debt

And diseases all around

I'll make money on all wars, you bet

Hatonn:

Confederation of Planets in service of the Infinite Creator, Commander in chief 4th Dimensional Earth Project Transition Pleides Sector. Flight Command, Intergalactic Federation Fleet – Ashtar Command; Earth Representative to the Cosmic Council and Intergalactic Federation Council on Earth Transition.. You may call me Hatonn.....god/allah/creator/source/great spirit. I greet you in the light and the love of the one that is all.

CHRYSTAL TEAM: (tune: God Bless America)

Regime change in America

How do we go about it?

Boomer, boomer, boomer, boomer

Boomerang-er-rang-er , rang-er , boomerang

LUCIFER: (Tune: jazz, rock, improv)

Meyer Rothschild said it best

I care not who writes the laws

Let me control the dollar bill

By Satanic scam I will be blest

Know I rule on capital hill

Secret meetings still abound

Own the media all around

Drug trade, yes, and all the rest

SAINT RAFAEL:

Do not look outside yourselves for a “savior” – none is there! Look within where the Truth of God resides and open your hearts, eyes and minds.

LUCIFER: *(tune: Kookabura Sits)*

Satan is a’sittin in a tree

Gathering all the buddies he can see

Laugh, Lucifer, oh laugh, Lucifer

Deviltry – that’s me

CRYSTAL TEAM: *(tune: God Bless America)*

Regime change in America

How do we go about it?

With a song here

And a joke there

With a wing and a prayer

And never never doubt it

With a wing and a prayer

And never never doubt it

Music : *(ALL: Taize: Ubi caritas, et amor; ubi caritas, deus ibi est or ho-oponopono*

LOCKY GE (or Lucifer) *(tune: Sullivan: I am the very Model of a Modern Major General)*

I am the very model of a weapons’ manufacturer

Nuclear reactors and the engines for jet fighters

I own a mess of media from NBC to ABC

I never ‘lloed a slip like flowed

From lips of Daniel Ra....ther

DAN RATHER:

5:25 pm. 911, 2001. New York City. For the third time today...its reminiscent of those pictures we've all seen too much on TV before, when a building was deliberately destroyed by *well placed dynamite* to knock it down.

LUCIFER (*tune: hey, ho, nobody's home*)

Hey ho, don't I know

False flags are the way to go

Sandy Hook and Columbine

(Ruby Ridge and Waco)

(Isis and Ebola)

Hey ho ho!

HATONN

There have been occasions in the cosmos where powerful and barbaric characters experienced in your solar system and roamed the space with limitless hate....unquenchable thirst for power....they destroyed then one planet with a vast explosion....Nothing remained of that planet save many thousands of asteroids. This is not intended, by the higher brotherhood to ever again be allowed – the system is still in upheaval after eons of intervening sequence. You will end your cycle of experience in different manner for the chaos is not accepted.

LUCIFER (*tune: Sullivan: Oh the criminal cried*)

Oh the patient died

From pills prescribed

From the friendly folks

At Pfizer

If your tummy's upset

You gotta detox

With Zoloft, or vioxx

By Pfizer

CRYSTAL: *(tune: Some day over the rainbow)*

Someday over the rainbow

Cancers have no life

Yes, folks, there is a cure

Thanx to Royal Rife

TEAM CRYSTAL: *(tune: Beatles, Hey Jude)*

Hey dudes, you're goin' down

You played a sad song but we be better

We got you under our skin

And there's no way that Truth can't win

LUCIFER:

But I control the vote, the nukes

The spooks and IMF

Wackenhut and WTO

HAARP and hurricanes

Superfunds and all the banks

And lots of other nations

(tune: Down at the station)

And Down at the station, who's behind the wheel

Tell me, Omnicom, is it DOB

CBS and NPR and then there's Disney, OMD

BBDO – LUMIOAway you go!

Major General Smedley D. Butler

I served on three continents with the marine corps between 1898 and 1931. I helped make Mexico, especially Tampico, safe for American oil interest in 1914. I helped make Haiti and Cuba a decent place for the National City Bank boys to collect revenues in. I helped in the raping of half a dozen Central American republics for the benefits of Wall Street...I helped purify Nicaragua for the international

banking house of Brown Brothers in 1909-1912...In China I helped to see to it that Standard Oil went its way unmolested. I wouldn't go to war again as I have done to protect some lousy investment of the bankers. There are only two things we should fight for. One is the defense of our homes and the other is the Bill of Rights. War for any other reason is simply a racket.

CRYSTAL:

Guess why we're fighting Syria?!? They outlawed GMO'S! And Lybia?? Wanted a gold dinar and not the U.S. dollar bill!

Congressman Charles Lindberg, senior, speaking. I was a congressman between 1907 and 1917 when I spoke these words: The Federal Reserve Act of December 23, 1913, establishes the most gigantic trust on earth. When the President signs the Bill, the invisible government of Monetary Power will be legalized: the worst legislative crime of the ages.

LUCIFER:

And about 20 years after the fed, didn't I just remove the popularity of another annoying pacifist, his son Charles Lindberg, the one who flew the first flight over the Atlantic ocean.... by kidnapping and killing that famous pilot's baby? Framed the innocent Bruno Hauptman, didn't I? And then, just one year later: no more Constitution, no more Bill of Rights...we got ourselves Martial Law!

RABBI ELMER BERGER:

Hello, there. I'm Rabbi Elmer Berger. Has anyone had the chance to read my book, "Memoir of an anti-Zionist Jew?"

LUCIFER (*tune: Frère Jacques round*)

Illuminati, Ashkenazi Zionist, Zionist

Cabal and Bildenburger, Hidden sheeple herder

.....the elite, of Wall Street

Sananda:

Satan cannot do evil except through a human's body. It is in solitary mind and soul of the individual that the battle between good and evil is waged and ultimately won or lost.

CRYSTAL :

Shed the fed, the rabbi said

And let's be quick about it

Tain't the peoples' bank he said

And there's no doubt about it

CRYSTAL Team (*tune: round: Hi, ho, nobody home*)

No more oil, no more nukes

Wars have been and wars shall cease

We shall learn to live together

Peace, peace, peace

CHRYSTAL:

But what about the income tax

Don't I have to pay it?

CRYSTAL TEAM:

There is no law upon the books!

And there's no doubt about it

CRYSTAL TEAM: (*tune: God Bless America*)

Hatonn:

I speak as a representative of those from your home galactic system who have now again come to help you through a time of transition. Our roots, yours and mine, are in the Pleiades and therefore the fleet most involved with your evolution is from Pleiades.

CRYSTAL: (*tune: White Coral Bells, or improve*)

Taurus is a bull, of Pleiades he's full

We seen him at night when the stars are bright

Oh don't you wish to see the Phoenix ship

That will happen only when we're filled with Light

CRYSTALTeam (*tune: With a little bit of luck*)

The Lord above gave light to me and you

The gift of truth and love to see us through

The gift of free will given to us all

Place 'em on a far-off interstellar land .

SANANDA:

Within me do I come forth to give onto you that which is your right and inheritance. Within you I do stir to awake you to your portion, I do awaken you to come forth to be as you were created...I sleep no longer, for I have been touched and I stir in my awakening.

CRYSTAL TEAM: *(tune: God Bless America)*

Regime change in America

How do we go about it?

With NESARA and GESARA

Peace and freedom

That's the reason that we're here.

Song: ALL: *(tune: round: Donna Nobis Pacem)*

ASHTAR:

Seven to ten days after Disclosure of NESARA law there will be landings of extraterrestrial ships on Earth. It is the establishment of Divine Government on Earth. It fully brings in the Golden Age.

The energy of your thoughts, feelings and actions zooms into the universal soup, boomerangs back with more of the same....Your progress through the planet's ascension has astounded light forces throughout the universes! You're still working on this in your concept of time, but in the continuum, it's a done deal! So let me sign off with HOORAH for your glorious victory!

ALL: (sing).....(signs for each line)

Joy to the world and peace doth reign

Let all our songs be joy

The ocean and the rivers, rocks, hills and plains

Repeat the sound of joy, repeat the sound of joy

Repeat, repeat, the sound of joy

CRYSTAL TEAM with kids
